

# XT-MWR110A

## Recessed LED Downlight 10W, Tri-Colour, Adjustable, IC-4 Rated

- An energy efficient, low-glare recessed LED downlight
- Tri-colour LED option that allows you to select colour temperature
- IC-4 or IC-F (able to be covered and abutted with insulation)
- Easy installation—ideal for residential, corridor, reception, retail and office areas
- Kit includes 10W SMD tricolour switchable LED downlight
- Advanced heat sink diffusion
- High quality die cast aluminium construction
- Can be tilted up to 15°
- Great for highlighting light on walls
